

F. J. Duarte, *Quantum Optics for Engineers* (CRC, New York, 2013)

Corrigenda

Introduction

This is a partial list of corrections to the first edition of *Quantum Optics for Engineers*.

F. J. Duarte

14.5 Introduction to the Density Matrix

Page 223, following Eq. (14.105): replace $\rho = \rho^\dagger$ by $\rho = (\rho^*)^\dagger$

Page 224, following Eq. (14.107): replace $\rho = \rho^\dagger$ by $\rho = (\rho^*)^\dagger$

Page 227, Problem 14.8: replace $\rho = \rho^\dagger$ by $\rho = (\rho^*)^\dagger$

21.6 Heisenberg's Uncertainty Principle and EPR

The correct title of this section, on page 332, is as shown above.
